ABOUT ME

A self-driven Information Technology professional with a passion for discovering and experimenting with the latest technologies. With experience as a Business Intelligence Analyst at Sampath Bank Head Office and a strong foundation in full-stack web development, I leverage my analytical skills and technical expertise to drive data-driven decision-making and build robust, scalable applications. I am a responsible team player who adapts easily to challenging circumstances and thrives in both independent and collaborative settings. I consistently stay on task and meet deadlines, even under pressure.
